*As the fundraising arm of Optimist International, the Optimist International Foundation funds 80 percent of the costs associated with International Programs.*

*Without the generous support of our donors, scholarships awarded to winners of the Oratorical and Essay Contest would simply not be possible. In addition, Programs like JOOI, Childhood Cancer and Safety on Wheels also rely on your support.*

*Each year, the Optimist International Foundation must determine how much will be available for these programs, and depending on contributions, these amounts may vary from year to year.*

*The Optimist International Foundation deeply appreciates the support received from all of its donors, especially those providing contributions on a consistent basis. This consistent basis allows the Foundation to plan more adequately for the years ahead, so funding amounts can in turn remain consistent. In turn, the level of service we can provide to children we serve will remain unvaried.*
