Report On The Financial Statements

We have audited the accompanying financial statements of Optimist International Foundation, which comprise the statement of financial position as of September 30, 2015, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility For The Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Optimist International Foundation as of September 30, 2015, and the changes in its net assets and its cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Report On Summarized Comparative Information

We have previously audited the Foundation's 2014 financial statements, and our report dated January 24, 2015, expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended September 30, 2014 is consistent, in all material respects, with the audited financial statements from which it has been derived.

OPTIMIST INTERNATIONAL FOUNDATION

NOTES TO FINANCIAL STATEMENTS

September 30, 2015

1. Summary Of Significant Accounting Policies

Basis Of Accounting

The accompanying financial statements of Optimist International Foundation (the Foundation) have been prepared on the accrual basis of accounting.

Basis Of Presentation

Financial statement presentation follows the requirements of the Financial Accounting Standards Board in its Accounting Standards Codification (ASC) 958-205, *Presentation of Financial Statements of Not-For-Profit-Organizations*. Under ASC 958-205, the Foundation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Foundation's financial statements for the year ended September 30, 2014, from which the summarized information was derived.

Use Of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investments And Assets Restricted For Permanent Investment

Investments are reported at fair value based on quoted market prices of major securities exchanges. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statement of financial position. Gains and losses on investments are determined on a specific cost identification method. Unrealized gains and losses are determined based on year-end fair value fluctuations.

OPTIMIST INTERNATIONAL FOUNDATION

Notes To Financial Statements *(Continued)*

Donated investments are recorded at their fair values (based upon quotations or appraisals) at the date of the gift.

Receivables

Accounts receivable from related parties are stated at the amount that management expects to collect from outstanding balances. Management provides for probable uncollected amounts through a charge to earnings and a credit to a valuation allowance based on its assessment of the current status of individual balances. Those balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to the receivable.

Promises To Give

Unconditional promises to give are recognized as support in the period the promises are received. Conditional contributions are recognized as support when the conditions on which they depend have been substantially met.

The Foundation provides an allowance for uncollectible promises to give equal to the estimated collection losses that will be incurred in the collection of all unconditional promises to give. The estimated losses are based on a review of the current status of the existing promises to give.

Property And Equipment

Property and equipment are stated at cost, less accumulated depreciation and amortization computed using the straight-line method over the following useful lives:

Computer equipment and software	3 - 5 years
Furniture and fixtures	5 - 15 years
Leasehold improvements	5 - 15 years

Artwork is carried at cost.

Restricted And Unrestricted Revenue And Support

Gifts of cash and other assets are reported as temporarily restricted operating support if the gifts are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Expense Allocation

The costs associated with providing the Foundation activities have been summarized on a functional basis. Certain of these expenses represent costs associated with multiple activities and require allocation among the programs and supporting services benefited. Such allocations are based on relevant factors that represent management's best estimate of the costs of providing such activities.

Tax Status

The Foundation is a not-for-profit organization under Section 501(c)(3) and a qualified public charity under Section 509(a)(1) of the Internal Revenue Code and is, therefore, exempt from federal income taxes on related, exempt income. The Foundation's tax returns for tax years 2011 and later remain subject to examination by taxing authorities.

Notes To Financial Statements (Continued)

For the year ended September 30, 2015, total interest income related to the promissory note receivable amounted to \$27,707, which is included in interest and dividends on the statement of activities.

Given the nature of the related party relationship, management has been able to estimate at September 30, 2015 that this Promissory Note will be collected in full in the future. The Foundation does not anticipate that payments on this promissory note will be delinquent in the future, and thereby, does not have a policy on determining the past due status of the promissory note, nor does it have a policy on placing the promissory note on nonaccrual status.

7. Split Interest Agreements

The Foundation has been named as the sole beneficiary of a perpetual trust that was established in 1978. The trust assets are held and administered by an independent financial institution trustee, in accordance with the donor's intent. 	\$	<u>355,438</u>

During 2015, the West Covina Optimist Club (the Club) was formally discontinued. The amount of the Club's permanently restricted endowment discontinued. The amount of the Club's permanently restricted endowment of \$63,825 and all appreciated earnings of \$12,311 were transferred to the Foundation without restrictions.

The Foundation's endowments consist of 46 donor-restricted endowments established for a variety of purposes and board-designated endowments. As required by generally accepted accounting principles (GAAP), net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation Of Relevant Law

The Board of Directors of the Foundation has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA), as adopted by the State of Missouri in August 2009, as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

OPTIMIST INTERNATIONAL FOUNDATION

Notes To Financial Statements (Continued)

The remaining portion of the donor-restricted endowment funds that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund,
- (2) The purposes of the Foundation and the donor-restricted endowment funds,
- (3) General economic conditions,
- (4) The possible effect of inflation and deflation,
- (5) The expected total return from income and the appreciation of investments,
- (6) Other resources of the Foundation, and
- (7) The investment policies of the Foundation.

Endowment Asset Composition By Type Of Fund As Of September 30, 2015:

OPTIMIST INTERNATIONAL FOUNDATION

Notes To Financial Statements *(Continued)*

Funds With Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires the Foundation to retain as a fund of perpetual duration. In accordance with GAAP, deficiencies of this nature that are reported in unrestricted net assets are \$30,233 as of September 30, 2015. These deficiencies resulted from historical market fluctuations and guaranteed payout rates on specific funds regardless of investment returns.

Return Objectives And Risk Parameters

The Foundation has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Foundation must hold in perpetuity or for a donor-specified period(s), as well as board-designated funds. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results favorable to returns of benchmarks comparable for each particular investment vehicle. Examples of such benchmarks include:

- S&P 500
- Russell 2000
- MSCI EAFE
- Barclay's Aggregate Bond
- Blend of indices

Strategies Employed For Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Foundation targets a diversified asset allocation that places a greater emphasis on equity and bond mutual funds to achieve its long-term return objectives within prudent risk constraints.

Spending Policy And How The Investment Objectives Relate To Spending Policy

The Foundation has a policy of appropriating for distribution each year five percent of each endowment fund's fair value (only for such funds for which the donor did not explicitly state a distribution percentage). In establishing this policy, the Foundation considered the long-term expected return on its endowments.

Pursuant to the terms of the agreement, the Foundation is only liable for the portion of the annual contribution as calculated by Optimist International and does not have any obligation, guaranty or warranty to fund any current or future deficits or shortfalls in the Plan. Conversely, the Foundation does not retain any residual rights to receive any excess assets remaining in the plan upon liquidation. As such, neither an asset nor a liability is recorded on the Foundation's statement of financial position related to this agreement with Optimist International. There were no costs incurred for the year ended September 30, 2015 under this agreement.

Under the agreements, the Foundation pays the donors equal quarterly or monthly installments at an annual amount which approximated \$30,000 in 2015. The assets held for annuity are recorded by the Foundation at fair value. In calculating the present value of the payments to be made, discount rates ranging from 4.0 to 5.9 and life expectancies ranging from 10 to 25 years were assumed. At September 30, 2015, gift annuities payable totaled \$240,150. For the year ended September 30, 2015, net unrealized losses of \$43,270 were recorded on the annuity assets.
