Dear craig:

Enclosed are the original and one copy of the 2016 Exempt Organization return, as follows...

#### 2016 Form 990

Form 990 must be made available for public inspection for a period of three years, beginning with the date the return is filed. The available document must be an exact copy of the return and schedules (including schedule B), as filed with the IRS, except that the names and the addresses of the contributors may be excluded. Any organization that fails to comply with this provision is subject to a penalty of \$20 for each day that inspection is not permitted, up to a maximum of \$10,000. Any organization that willfully fails to comply shall be subject to an additional penalty of \$5,000. You are also required to provide copies of the return if you receive such a request. Should you receive a request for inspection or for copies of your return, you may want to contact us for further details.

Each original should be dated, signed and filed in accordance with the filing instructions. The copy should be retained for your files.

We prepared the return from information you furnished us without verification. Upon examination of the return by tax authorities, requests may be made for underlying data. We therefore recommend that you preserve all records which you may be called upon to produce in connection with such possible examinations.

We sincerely appreciate the opportunity to serve you. Please contact us if you have any questions concerning the tax return.
